No. I think evelyn was exploring the fact that they weren't on the petitions site with the OW IO.

Thanks to our diligent record keeper Erica we have those dates for you, below. Let us know if we are missing something or you need more. Erica, did we get the one for WA HHC, and I think there are actually 2 now if you throw in the Mayor of Spokane.

**Subject:** FW: FYI - Petition for Reconsideration and Repeal of EPA's Final Rule on Maine's Water Quality

We just received word that on March 6 three dischargers in Maine filed the attached petition with Administrator Pruitt asking that EPA reconsider its disapproval of Maine's water quality standards and repeal the federal standards in Maine. Again, the arguments in the petition mirror the arguments that the Pierce Atwood law firm filed on behalf of these dischargers (1 town and 2 industrial dischargers) during EPA's rulemaking to promulgate the federal standards.
